Clean energy for EU islands secretariat

Marketplace

The Islands Marketplace aim is to enhance the matchmaking between **island communities** and **investors**.

Welcome to the
Islands Marketplace

<https://euislands.eu/>

Why is this for you?

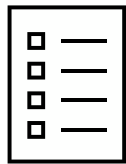

Through the Clean energy for EU islands' marketplace:

 **Island's stakeholders** can finance their projects by connecting with front-runners ESG (environmental, social and governance) investors

 **Investors** have the opportunity to increase their pipeline of potential investments

Supporting islands communities to finance their projects

Marketplace tools

Guideline for islanders - Steps to finance sustainable energy projects

Intake form - Survey
