Discussion

Ask your questions

Moderated by **Amandine Gal** – Clean energy for EU islands secretariat (Econoler)

16:25
–
16:30

Conclusions and Final remarks

Amandine Gal – Clean energy for EU islands secretariat (Econoler)

Why is this for you?

Through the Clean energy for EU islands' marketplace:

 **Island's stakeholders** can finance their projects by connecting with front-runners ESG (environmental, social and governance) investors

 **Investors** have the opportunity to increase their pipeline of potential investments

Rahul Pratap-Sing - European Energy Efficiency Fund

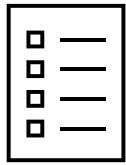

Tiago Vaz Serra – Plural Energy Innovation Fund
